Message to all People First New Zealand members and the People First New Zealand network

We are pleased to let you know
that from **1 July 2020** People First
New Zealand will be starting back
up our:

In Alert Level 1 we still need to do some important things to keep ourselves healthy.

We need to keep up with good hygiene like:

- washing our hands a lot
- using hand sanitiser.

It is important that you **stay home** if you are **sick**.

If you are sick please **do not come** to our:

- meetings
- courses
- other events.

To find out more about your local group meeting contact your groups **Local Assistant** or **Regional Coordinator**.

You can also call us on the **People First New Zealand helpline**.

The **helpline** phone number is:

0800 20 60 70

It will not cost you any money to call this number.

You will be asked to leave a message with your:

- first and last name
- phone number.

You can also email People First
New Zealand on:

ask@peoplefirst.org.nz

A People First worker will call or
email you back.

Stay well everyone.

We look forward to seeing you
soon.
