

An update from People First New Zealand Ngā Tāngata Tuatahi to all Members

15 February 2021

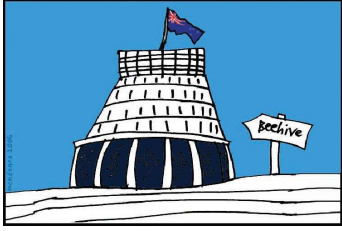

The government has said that from 11.59 pm Sunday 14 February 2021:

- **Auckland** will move to **Alert Level 3**
- the **rest of New Zealand** will move to **Alert Level 2**.

These Alert Levels will stay in place until at least **11.59pm Wednesday 17 February 2021**.

On Wednesday 17 February 2021 the government will decide if we need stay at these Alert Levels for longer.

You can find more Easy Read information about **Alert Level 2** and **Alert Level 3** on the **COVID-19** website:

<https://covid19.govt.nz/updates-and-resources/accessible-information/easy-read/>

What does this mean for People First?

We need to do help keep everyone safe from COVID-19.

There will be **no** People First face to face meetings:

- **Monday 15 February 2021**
- **Tuesday 16 February 2021**
- **Wednesday 17 February 2021.**

This means there will be **no** face to face People First events like:

- local group meetings
- regional meetings
- National Committee meetings
- Learn with us courses.

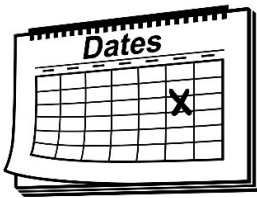

If you are part of an **Advisory Group** this week please ask your Meeting Assistant to phone Cindy.

You can phone your Regional Coordinator or Local Assistant if you have any questions at all.

Hopefully we will not need to wait too long until we can start having our face to face events again.

People First offices in Auckland will be closed.

People First staff in Auckland will keep working from home.

What to do if you need help or have any questions

If you need help you can call **People First New Zealand**.

You will find the Regional Coordinators phone numbers on the People First website:

While we are getting the 0800 phone number fixed you can also call Anne Marie on:

You can also email People First on **ask@peoplefirst.org.nz**

Thank you for understanding.
