

**Wellbeing Digital Tool Project -
We are looking for someone to join the
team from Central or Top of the South**

November 2021

The **Wellbeing Digital Tool Project Team** is an exciting project that is already happening.

1

People First New Zealand is looking for **1 more person** to join the project team.

We would like this person to come from our **Central or Top of the South region**.

What is the Wellbeing Digital Tool Project?

The Wellbeing Digital Project is a People First New Zealand **app or webapp**.

An **app** is something you use on your phone or computer.

This app will remind people how to keep safe.

People First New Zealand has courses that teach people how to:

- keep your money safe
- keep safe from abuse
- keep safe from bullying
- keep safe online.

These courses are called **Learn With Us courses**.

Not everyone can come to the Learn With Us courses.

We are making an app for phones, tablets or laptops so that people who cannot come to the courses do not miss out.

We will also make a website with videos to remind people how to keep safe online.

You can find out more about the Learn With Us courses at this website:

<https://bit.ly/3kSPfyC>

What being part of the project means

To be part of the Wellbeing Digital Tool Project Team you would need to:

- be part of the project team for up to 1 year

- be able to travel to meetings where you may need to stay overnight in a hotel

- come to team Zoom meetings online that will be with:
 - other team members
 - people who work for People First New Zealand.

Being part of the Wellbeing Digital Tool Project Team means you would also:

- bring what you know about life with a disability
- think of new ideas that could make the app better

- be paid a **meeting fee** for your work.

A **meeting fee** is payment for being part of the team.

How to apply

You can talk to your People First Regional Coordinator if you:

- would like to be part of this Wellbeing Digital Tool Project Team.

and

- live in the Central or Top of the South region
